ANADOLU ISUZU

ISUZU TURQUOISE

Anadolu Isuzu's tested and trusted medium-size coach is powered by Isuzu engine, which produces 190 PS at 2600 rpm. Turquoise offers a pleasant journey to the driver and the passengers with its stylish interior design and its wide spectrum of comfort equipments. Combining the advantages of a minibus and a full-size coach in a smart "midi" concept, Turquoise becomes an ideal partner for short and medium-haul local transportation, panoramic tours and excursions. With its seat and luggage capacity up to 33 passengers, Isuzu Turquoise offers a high level of comfort just like a full-size coach, while it operates as economical, manoeuvrable and versatile as a minibus in urban traffic.

Anadolu Isuzu cares the ones behind the wheel, the ones who spend most of their time on the roads... The ones who work with full commitment to ensure a safe and comfortable journey for passengers. We believe that the driver's comfort and the safety on board is essential for a safe and pleasant journey. That's why, Turquoise is designed in a way to offer the best working place for the drivers: Air actuated and adjustable driver seat, an ergonomic dashboard with a driver-friendly instrument panel, a tilt and telescopic power steering, a locker above the driver seat for his/her private use and an additional exterior mirror for ensuring the perfect rear vision are all standard for the drivers of Isuzu Turquoise. DRL, AEBS, ABS ASR, ESC braking systems and rear air suspension are among other features which secure a safe and comfortable journey while travelling with Turquoise.
